SHAPE THE FUTURE OF SPORT

JOIN THE adidas Group Campus IT Program!

Did you ever wonder how IT and sports fit together?

At the **adidas Group** you will get an insight view on how a high performance IT team supports our ambitious growth plans for the future. The continuously evolving field of IT is a business enabler for the **adidas Group**.

Become an IT expert (m/f) by joining our “Campus IT” program!

Within this 12-15 months program we will train you to become a **business athlete**. You will have the opportunity to work within your chosen **field of interest**.

Choose your program focus between:

- **Marketing (Social Media & Web Analytics; CRM Applications)**
- **X-Functional (HR Systems/Sharepoint; Information Security)**
- **Infrastructure (End User Computing)**
- **Operations (Planning)**
- **Sales (Wholesale Business Solutions; Retail Back Office; Wholesale ERP)**

You can expect appropriate **training and development** measures in order to **support your Personal Growth**. Furthermore, there will be **Mentoring** from Senior IT Managers.

What we expect:

- University/BA/Master degree completed in 2012 – 03/2013
- Strong analytical understanding
- International mind-set
- Ability to think “out of the box”
- Enthusiasm for teamwork
- Fluent in English, both written and spoken
- Ideally international experience (e.g. internship or study abroad)
- A good sense of humor and passion for the adidas Group brands

Location: Your home base will be **adidas Group Headquarters in Herzogenaurach** in the **Nuremberg Metropolitan Region - Germany**

Ready – set - go!

Application Deadline:

December 3rd, 2012

Program Start:

April 1st, 2013

Please send your online application in English, including a letter of motivation and please name your **first and second choice of your fields of interest** to our career centre on our homepage www.adidas-Group.com/careers.
