

# 11th International Doctoral Seminar

Dear PhD students,

We invite you to participate in the **11th International Doctoral Seminar (IDS 2019)**. IDS 2019 is organized by the **Faculty of Organization and Informatics, University of Zagreb, Croatia**, and the **Faculty of Materials Science and Technology, Slovak University of Technology**.

## **Objective:**

IDS 2019 is an international forum where PhD students present and discuss their research proposals and preliminary research conclusions related to

- Computer Games,
- Data and Knowledge Bases,
- Education and Learning Analytics,
- Emerging trends in ICT,
- ICT Entrepreneurship and Innovation,
- Intelligent Information Systems,
- Quality of Software and Services,
- Software Engineering,
- Strategic Planning and Decision making,
- Materials Engineering,
- Applied Informatics and Automation in Industry,
- Industrial Engineering,
- Management and Quality,
- Environmental and Safety Engineering.

PhD students will get feedback from an international pool of experienced researchers, and have an opportunity to exchange comments with fellow PhD students.

## **Location and dates:**

IDS 2019 will be held on **October 03, 2019**, at the Faculty of Organization and Informatics, Varaždin, Croatia.

## **Structure:**

The seminar is targeting students at different stages of their PhD study. Papers / posters may present research proposals and / or preliminary conclusions of students' research (contribution to theory, methodology and/or practice).

## **Presentation outline:**

PhD students may submit:

- Full research paper,
- Doctoral research paper, or
- Doctoral research poster.

Information about submission and participation is available at <https://ceciis.foi.hr/doctoral-student-section>.

All participants are expected to present, discuss and reflect on their research in collaboration with committee members and fellow-students.

## **Certification and publishing:**

Participating PhD students will receive a certificate of attendance and their contribution will be published in a separate section of the **Central European Conference on Information and Intelligent Systems CECIIS** conference proceedings.

## **Fee:**

Doctoral students pay a reduced conference fee of €100 for participating with a full research paper, or €75 for participating with a doctoral research paper or a poster. In addition to participation in IDS 2019, the fee enables participation in all sessions of the CECIIS Conference.

## **Key Dates:**

**June 30, 2019.** Application and submission of a paper / poster

**October 03, 2019.** Seminar date
