# Ericsson Nikola Tesla Summer Camp

# Ericsson Nikola Tesla Summer Camp

Summer workshop  
for senior university  
students

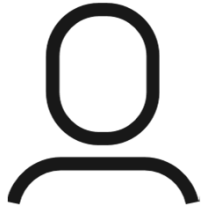

Teams work 5  
weeks solving  
real industrial  
problems

Best students from  
Croatia and  
neighboring  
countries

Results: technology  
insights, prototypes,  
Proof of concepts, ...

# Summer Camp Benefits

Experience work in an industrial working environment  
Extend knowledge (and earn some reward)  
Add **valuable working experience** to one's CV

Enhance **relationships with industry**  
Raise the quality of the education

**Attract outstanding students**  
Address/solve some open issues  
Create demos and prototype applications
